

Burley Trojans Juniors Football Club

Your Football Club Needs YOU!

As you will probably know we have a lack of proper changing rooms at the football pitches down at Iron Row - but we have a plan to do something about this!!

WE NEED YOUR HELP!!!

We have set up a Project to apply to get Football Foundation funding which should go some of the way to meeting the cost of **quality changing rooms for our kids at Iron Row**. We will also need to raise money ourselves to go alongside whatever funding we are able to achieve. We are keen and willing to work hard but we need to get some help with the Changing Room Project.

CAN YOU GIVE A LITTLE OF YOUR TIME???

We are looking for people who can give a little of their time to help us with the project - you don't need any knowledge of football, or to be involved in the club in any way at the moment. In particular -

- Are there any **Architects** within the parents/friends who would be happy to get involved, even in a very small way, to help us with the Changing Rooms Project?
- Are there any parents with **Project Management** skills who would offer to get involved, particularly those with a building background?
- Anyone with **Surveying** skills?
- Anyone who could help with general **administration** of the project?

In addition, if you know of **anyone with time on their hands**, perhaps retired, who would like to get involved in any capacity please shout!

Please if you are able to help in any way at all please speak to either your team manager or the Club Secretary Jed Smith. Don't feel that you are committing to anything, and he can tell you more about what we are planning to do

**THIS IS A GREAT CHANCE TO HELP WITH SOMETHING THAT WILL
MAKE A REAL DIFFERENCE TO THE VILLAGE FOR YEARS TO COME
- PLEASE HELP IF YOU CAN!!!!**
